Ref: PSCW Docket 137-CE-139: ATC's North Madison to Huiskamp Transmission Project

I am filing as a very concerned person and co-owner of property (in a 16-unit condo), having a considerable extent of land abutting the beltline, and requesting full party status in the above-captioned matter. As a ratepayer, I question the effectiveness of the American Transmission Company's proposed transmission projects in Dane County.

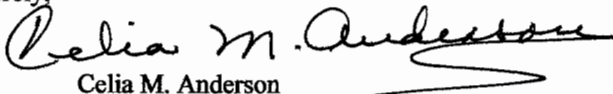

I am requesting full party status in the above titled matter so as to assert my interest in the issues of the case. It would be most appropriate for the PSCW to deem this application incomplete, since the ATC has failed to respond to all of the PSCW information requests including information on the effects of conservation and renewables, and because the ATC has failed to provide credible justification of need, among other things.

All ratepayers will be affected by the PSCW decision regarding the ATC's North Madison to Huiskamp Transmission Project. My interests will not be adequately represented by other parties. Please direct all related correspondence on this matter to me at the following address:

Celia M. Anderson,  
22 Whitcomb Circle,  
Madison WI 53711

Thank you for your attention to this request.

Sincerely,

  
Celia M. Anderson
